PARTE 1 — RESUMO

Os conteúdos que caem na prova

1. Tag questions

• Afirmativa → tag negativa; negativa → tag afirmativa, com o MESMO auxiliar.

• You are tired, aren't you? · She doesn't eat meat, does she? · They went out, didn't they?

• Especiais: I am → aren't I? · Let's → shall we? · imperativo → will you? · there is → isn't there? · nobody/never → tag afirmativa.

2. Phrasal verbs

• wake up (acordar) · give up (desistir) · look for (procurar) · look after (cuidar) · find out (descobrir) · turn on/off (ligar/desligar) · put on (vestir) · run out of (ficar sem).

• Pronome sempre no meio: Turn it off. (nunca "Turn off it")

3. Verb tenses

Tempo	Estrutura	Pistas
simple present	I play / she plays	every day, always
present continuous	am/is/are + -ing	now, Look!
simple past	played / went; did + base	yesterday, ago, last
present perfect	have/has + particípio	ever, never, already, yet
future	will / going to	tomorrow, next week

4. Tag questions sem auxiliar e mais phrasal verbs

• Se a frase não tem auxiliar, use DO / DOES (presente) ou DID (passado) na tag: The moon looks beautiful, doesn't it? · You play guitar, don't you? · They arrived late, didn't they?

• Mais phrasal verbs: settle in (se adaptar, se ambientar) · find out (descobrir) · grow up (crescer) · get along (se dar bem).

• Pergunta no present perfect: Have/Has + sujeito + (ever) + particípio? → Have you ever been to Chile?

Leitura e interpretação: como a prova cobra

• A prova traz textos curtos, tirinhas e imagens. Leia primeiro a PERGUNTA, depois o texto: assim você sabe o que procurar.

• Use as pistas: título, imagem, fonte, palavras parecidas com o português (cognatos) e o vocabulário que aparece no fim do texto.

• Nas perguntas de gramática dentro do texto, olhe o trecho sublinhado e pense: que tempo verbal é esse? o que ele mostra?

• Desconfie de alternativas que dizem mais do que o texto diz ou que trazem palavras que não aparecem no texto.
