BLOCO 1 — COORDINATING AND SUBORDINATING CONJUNCTIONS

Questões 01 a 07

Conjunções ligam palavras, frases e ideias, e cada uma carrega um sentido (adição, contraste, causa, consequência, condição...).

Coordinating conjunctions

Ligam orações de mesmo peso, que funcionariam sozinhas. São sete — memorize pela sigla FANBOYS: for (pois), and (e), nor (nem), but (mas), or (ou), yet (no entanto), so (então, por isso).

Ex.: It was raining, so we stayed home. · She is smart, but she is lazy.

Subordinating conjunctions

Introduzem uma oração dependente, que não faz sentido sozinha. Use vírgula quando a oração subordinada vem PRIMEIRO.

Sentido	Conjunções
Causa	because, since, as
Contraste / concessão	although, even though, though, whereas, while
Condição	if, unless (a menos que), as long as (desde que)
Tempo	when, while, before, after, as soon as, until
Finalidade	so that, in order that

Ex.: Although he was tired, he finished the report. · He finished the report although he was tired.

Atenção: não se usam duas conjunções para a mesma ligação — "Because it rained, so we stayed home" está errado.

QUESTÃO 01

Complete com a coordinating conjunction adequada (and, but, or, so):

a) I wanted to go to the concert, _____ the tickets were sold out.

b) It was raining, _____ we stayed home.

c) Do you prefer tea _____ coffee?

QUESTÃO 02

Complete com a subordinating conjunction adequada (although, because, unless):

a) _____ it was late, they kept working.

b) You won't pass the exam _____ you study.

c) She left early _____ she felt sick.

QUESTÃO 03

Una as frases usando a conjunção indicada, atentando para a pontuação:

a) The movie was long. We enjoyed it. (although)

_____

b) He missed the bus. He was late for class. (so)

_____

QUESTÃO 04

Marque a alternativa que completa corretamente a frase: "I'll lend you my notes _____ you promise to give them back."

a) unless

b) as long as

c) whereas

d) although

QUESTÃO 05

Marque a alternativa em que a conjunção expressa CONTRASTE:

a) because

b) so that

c) whereas

d) as soon as

QUESTÃO 06

Na frase "Even though he trained every day, he didn't win the race", a conjunção expressa:

a) causa

b) concessão

c) condição

d) finalidade

QUESTÃO 07

Marque a frase em que a conjunção foi usada INCORRETAMENTE:

a) She speaks English and Spanish.

b) He didn't call, nor did he write.

c) Because it was raining, so we stayed home.

d) I was hungry, so I made a sandwich.

BLOCO 2 — DIRECT AND REPORTED SPEECH

Questões 08 a 14

Direct speech reproduz as palavras exatas, entre aspas: She said, "I am tired." Reported speech (discurso indireto) conta o que alguém disse, sem aspas: She said (that) she was tired.

O verbo "volta um tempo" (backshift) quando o verbo introdutor está no passado (said, told, asked):

Direct speech	Reported speech
simple present (am, work)	simple past (was, worked)
present continuous (is working)	past continuous (was working)
simple past (worked)	past perfect (had worked)
present perfect (has worked)	past perfect (had worked)
will / can / must	would / could / had to

Também mudam pronomes e referências de tempo e lugar:

now → then · today → that day · tomorrow → the next day · yesterday → the day before · here → there · this → that

Perguntas e ordens:

• Perguntas com question word: a ordem volta a ser de afirmação. "Where do you live?" → She asked where I lived.

• Perguntas de sim/não: use if ou whether. "Are you ready?" → He asked if I was ready.

• Ordens e pedidos: told / asked + to + verbo. "Sit down." → She told me to sit down.

QUESTÃO 08

Passe para o reported speech:

"I am tired," she said.

_____

QUESTÃO 09

Passe para o reported speech, atentando para a expressão de tempo:

"We will travel tomorrow," they said.

_____

QUESTÃO 10

Passe para o reported speech:

"I have finished the project," he said.

_____

QUESTÃO 11

Passe para o reported speech:

"Where do you live?" she asked me.

_____

QUESTÃO 12

Passe para o reported speech:

"Are you coming to the party?" he asked.

_____

QUESTÃO 13

Passe para o reported speech:

"Close the window," the teacher told us.

_____

QUESTÃO 14

Marque a alternativa que apresenta o direct speech correspondente a: She told me that she had seen the movie the day before.

a) "I saw the movie yesterday."

b) "I had seen the movie the day before."

c) "She saw the movie yesterday."

d) "I see the movie today."

BLOCO 3 — PHRASAL VERBS

Questões 15 a 20

Phrasal verbs são verbos + partícula (up, out, off, down, on...) que formam um novo significado. São muito frequentes em textos de vestibular e do ENEM — por isso, leia a expressão inteira, não só o verbo.

Phrasal verb	Significado	Phrasal verb	Significado
give up	desistir; parar de	turn down	recusar
put off	adiar	carry out	realizar, executar
find out	descobrir	look forward to	aguardar com expectativa
come up with	criar, ter (uma ideia)	run out of	ficar sem
point out	apontar, destacar	pick up	pegar; adquirir; buscar

Separáveis x inseparáveis:

Nos separáveis, o objeto pode ficar no meio, e o pronome SEMPRE fica no meio: turn down the offer = turn the offer down → turn it down.

Atenção: em look forward to, o "to" é preposição — depois dele vem verbo com -ing: I'm looking forward to meeting you.

QUESTÃO 15

Substitua a expressão destacada pelo phrasal verb equivalente (give up, put off, come up with), no tempo correto:

a) She decided to POSTPONE the meeting. → _____

b) They CREATED a brilliant solution. → _____

c) He STOPPED smoking last year. → _____

QUESTÃO 16

Relacione cada phrasal verb ao seu significado:

(a) turn down (b) carry out (c) look forward to (d) run out of

( ) realizar, executar

( ) ficar sem

( ) recusar

( ) aguardar com expectativa

QUESTÃO 17

Reescreva substituindo o objeto destacado por um pronome:

a) They turned down THE OFFER.

_____

b) Can you pick up THE KIDS after school?

_____

QUESTÃO 18

Marque a alternativa que completa corretamente: "I'm looking forward to _____ you."

a) see

b) seeing

c) saw

d) seen

QUESTÃO 19

Na frase "The critics pointed out his mistakes", o phrasal verb pointed out significa:

a) apontaram, destacaram

b) esconderam

c) apagaram

d) aceitaram

QUESTÃO 20

Complete com o phrasal verb no tempo correto:

a) The company _____ (set up) a new office in Cuiabá last year.

b) "_____ (hold on) a second, please — I'll check the information."

BLOCO 4 — INTERPRETAÇÃO DE TEXTO

Questões 21 a 25

Dicas de leitura: leia primeiro o título, a fonte e as perguntas; depois, o texto. Procure palavras conhecidas e cognatos (palavras parecidas com o português). Fique atento às conjunções (but, although, whether...) — elas mostram a direção do argumento. Nas alternativas, desconfie das que generalizam (always, never) ou dizem mais do que o texto diz.

QUESTÃO 21

Leia o texto e responda.

Hunger Games Review: Family Film Guide

Parent Concerns: There is definitely violence in this film. The central Hunger Games may not be as bloody and brutal as author Suzanne Collins describes in the novel, but there's a visceral reaction to seeing the kid-on-kid violence rather than conjuring it in your own imagination. The tributes kill each other in a host of ways, from spear, knife and arrow wounds to hand-to-hand battles that leave teens with their heads smashed in or necks snapped. The editing is quick and the shots never linger on anything overly graphic, but there is blood and twenty-two adolescents, aged 12-18, die in the annual blood sport pageant. Immature tweens, even if they've read the books, may not be ready to handle the film just yet. A good rule of thumb: if they're not old enough to be reaped into the Hunger Games, they're probably not mature enough to see it.

ANGULO-CHEN, S. Disponível em: http://news.moviefone.com. Acesso em: 28 jun. 2012.

Produções literárias e cinematográficas estão, muitas vezes, articuladas. No caso do filme Hunger Games, a autora da resenha chama a atenção para a questão da violência, que é mais

a) detalhada do que a autora do livro gostaria que fosse.

b) brutal do que os pais permitiriam para seus filhos.

c) amena do que os adolescentes imaginavam.

d) superficial do que o público poderia esperar.

e) impactante do que a representada no livro.

QUESTÃO 22

(FUVEST – SP) Leia o texto e responda.

VARIOUS ARTISTS — Brasil: A Century of Song — Blue Jackel CD 5001/4-2, £44.49

The spirit lives on.

Whether or not Brazil can hold out against the steady march of MTV and the multinational McDonaldisation of pop music, the legacy surveyed in this four-volume potpourri is reassuringly luxuriant and multifaceted. First impressions are not entirely encouraging, since several important figures are missing from the play list: although Milton Nascimento contributes two numbers to the final disc, devoted to contemporary strands of that amorphous entity, MPB – Música Popular Brasileira – you will look in vain for Gilberto Gil, Caetano Veloso or Elis Regina. But João Gilberto, Gal Costa and the guitarist Baden Powell, among many others, do make an appearance elsewhere. Carnival, understandably, gets a whole disc to itself. The section on folk and traditional forms even throws in a field recording of a candomblé religious rite, preceded by an overdue reminder that Carmen Miranda amounted to more than a model for gaudy headwear.

Clive Davis. The Sunday Times, 27 July 1997.

According to the passage,

a) Brazilian music has lost its identity.

b) Brazilian pop music is being jeopardized by foreign influences.

c) MPB's attempts to resist the invasion of American music have been in vain.

d) Brazil will hardly resist the invasion of foreign music.

e) there has been a steady stream of programmes about MPB on MTV.

Texto referente às questões 23 e 24.

Leonardo DiCaprio is to star as 28th US president Woodrow Wilson in a film that he will also produce.

Warner Bros are in early negotiations to pick up the rights to Wilson, the presidential biography written by A. Scott Berg. The book was published last week to positive reviews. Wilson is known for leading the US to join the allies in World War I and his support for the Treaty of Versailles. He also created the Federal Reserve - the central banking system of the United States. Berg's biography is a heroic portrayal of Wilson, whose time in office ran from 1913 to 1921. In 1919, he was awarded the Nobel Prize for Peace for his efforts to create the League of Nations. But his critics have pointed out that he failed to support racial integration during his presidency. DiCaprio will produce the film with his company, the Appian Way, along with writer Berg and Jennifer Davisson Killoran. The actor was last seen on the big screen in Baz Luhrmann's The Great Gatsby, based on F Scott Fitzgerald's novel. He can next be seen in Martin Scorsese's Wolf of Wall Street as a risk-taking investment banker. It is the actor's fifth collaboration with the revered director.

Disponível em: http://www.bbc.co.uk/news/entertainment-arts-241235.

QUESTÃO 23

De acordo com o texto, é correto afirmar que

a) o filme sobre Woodrow Wilson já foi gravado e estreia na próxima semana.

b) Leonardo DiCaprio vai interpretar Woodrow Wilson e também produzir o filme.

c) a biografia escrita por A. Scott Berg recebeu críticas negativas.

d) Wilson recebeu o Prêmio Nobel por ter criado o Federal Reserve.

e) Wolf of Wall Street é a primeira parceria entre DiCaprio e Martin Scorsese.

QUESTÃO 24

No trecho "But his critics have pointed out that he failed to support racial integration during his presidency", a conjunção BUT introduz

a) a causa de Wilson ter recebido o Prêmio Nobel da Paz.

b) um contraponto ao retrato heroico de Wilson apresentado na biografia.

c) uma conclusão sobre a carreira de Leonardo DiCaprio.

d) uma condição para que o filme seja produzido.

e) um exemplo das conquistas de Wilson na Primeira Guerra.

QUESTÃO 25

Releia a primeira frase do texto sobre Hunger Games e passe-a para o reported speech, começando com "The reviewer said that...":

"There is definitely violence in this film."

_____
